Collection Paper Craft

Story behind the collection

Paper art

Origami requires a great deal of patience and fingertip flair. Origami can be so meticulous it can seem daunting to the amateur. So, why not leave this art form to the professionals, and go easy on yourself ... with the Paper Craft collection you can enjoy paper art on your wall, without all the complex work!

Paper has so much more to offer than merely being something to write on. As such, paper folding art or origami, has been popular in Japan for centuries now. In this art discipline paper is the primary material used to create tiny works of art. Ubiquitously these miniature creations are cranes or geometric shapes. However, the possibilities are high on endless! It's hardly surprising therefore that origami is making itself known in our interiors. So we see paper or cardboard transformed into lampshades or wall

Technical specifications

Reference	<u>68004</u>
Dimensions	Rolls of 10.05 m x 0.52 m (11 yds x 20.47")
Pattern repeat	Straight match 32 cm (12.60")
Adhesive	Arte Clearpro or a good quality dispersion adhesive
How to paste	Paste the wall
Light resistance	Good lightfastness
How to remove	Strippable
Fire rating EU	B-s1, d0
Fire rating US	Class A
Maintenance	Washable

Colourways (7)
